Re: 24-Hours Of Power Fundraiser

We are writing to you today to THANK YOU very kindly for your donation to the Forever Fund last year at the 24-Hours of Power event we hosted June 25, 2010. We realize this letter has taken a while, however, we wanted to wait until we had everything in place to tell you about the future of the fund. Through your donations, the Forever Fund took in over \$22,000 for families and patients at the UPMC Children's Hospital of Pittsburgh. This sum was above and beyond what we were anticipating, and we cannot thank you enough for your generosity!

In this day and age, finding something that hasn't been done before seems impossible. We are extremely excited about taking on the "Ocean's Seven" to continue raising money for the Forever Fund. This challenge, highlighted in detail on our website, will pit Darren against the elements through seven of the world's most difficult, and dangerous bodies of water around the world. This feat, created by open-water guru Steven Munatones, has never been accomplished any swimmer to date.

*"The Ocean's Seven is a unique challenge in that you have to swim in relatively unknown waters, face dangerous marine life, all while attempting to overcome the mental aspect of sometimes swimming alone in the middle of the night, in the middle of an ocean, far away from home. I have been blessed to realize my calling to philanthropy, and I will continue my fight to raise money for the families who need it the most. Just as Captain Matthew Webb, the first English Channel swimmer said, "Nothing Great Is Easy", I will give everything I have to do something that has never been done before. It is said in the media that people respond to the pain of others. I hope the response for my sacrifice will enable the Forever Fund to help save the lives of the children who need it the most." -Darren*

We hope that you will continue to follow our progress via the Team Forever website at [www.darren-miller.com](http://www.darren-miller.com), and find it in your heart to continue with support. Darren is more than willing to speak to any organization to help spread the word about the Forever Fund, but more importantly, to inspire others to achieve more than they ever thought possible. Please contact us via the website with any questions or concerns that we can help you with, or you are welcome to leave a message for Team Forever at 724-468-1062.

Your donation is the reason we continue the fight, and to never give up on those who need it the most!

Sincerely,

Team Forever

*"Every Breath A Gift"*
